3 DAY HERDSMAN DUTCH FOOT TRIMMING COURSE Cumbria 22 – 24 May 2012

Book Early to avoid disappointment

- SMALL GROUPS FOR INDIVIDUAL TUITION
- PRACTICAL 'HANDS ON' COURSE
- COURSE STRUCTURE INCLUDES EQUIPMENT NEEDS, MAINTENANCE, AND APPLYING BLOCKS

The course intentions are to equip you with the trimming skills so that when you return to your farm you can trim using the 5 step Dutch method.

Diseases and lameness conditions will be covered during an initial short lecture programme then practically during the trimming sessions on farm.

For more information call Penny on 01565 723036
And for information on funding call Farming connect on 01982 552646

COURSE TUTORS:

John Dawson MRCVS and Tony Richardson

After trimming about 500 feet, it is advisable to come back to a check day where our tutors will check technique and assist with development.

We run the course in a relaxed manner ensuring that cattle foot care is a pleasure to learn.

If you are interested, but undecided, give us a call and we can talk to you or put you in touch with a past student to hear a first hand account of the course.

Course Timetable:

Day 1	am	Theory
	pm	Trimming on farm (preventative).
Day 2	am	Sharpening knives & Trimming on Farm
	pm	Trimming on farm
Day 3		Trimming on farm (curative and preventative)

THE ORGANISERS RESERVE THE RIGHT TO CANCEL THE COURSE.

Embryonics accept no responsibility for any additional expenses incurred and are not responsible for arranging any external funding. Any work carried out by Embryonics is done so in good faith but it is ultimately the responsibility of the attendee to obtain funding as is any extra payment if thirds parties require payment in connection with obtaining funding.
